

Permission Slip  
For Insect Repellent and Sunscreen

Dear Parents,

To help keep your child safe this summer from sunburns and allergic reactions, please fill out the permission slip below, allowing us to apply sunscreen to your child. When the health department has determined that children are at high risk for insect-borne disease we will use insect repellants containing DEET and they will only be applied once a day.

Thank You!

Presentation ECC Staff

-----

I \_\_\_\_\_ give permission to Presentation ECC to apply sunscreen and/or insect repellent to my child throughout the summer.

Please mark the one that applies to your child:

My child can use any brand of sunscreen \_\_\_\_\_

My child can use any brand of insect repellent \_\_\_\_\_

My child can only use a certain brand of sunscreen (which I have supplied) \_\_\_\_\_

My child can only use a certain brand of insect repellent (which I have supplied) \_\_\_\_\_
